Leave: 29 April 2018

Dated: 6 July 2017

Prepared for [REDACTED] (American Adventure Tour Group)

Dear [REDACTED],

Thank you for choosing Three Islands NZ for your travel needs. Below is your personalised travel proposal.

Your travel details are:

Arrive in Auckland on:	15 April 2018
Depart from Christchurch on:	29 April 2018
Number in party:	10-20
Type of holiday specified:	See and do as much as possible
How are you going to get around:	Private Chauffeur
Special needs (if any specified):	None as yet

As I said in my email, I will be in touch soon regarding prices once I have heard back from all the tour operators. I am working on getting you the best deal possible.

If there are excursions you would like adding to your itinerary or ones taken off please just let me know, this proposal is to give you an idea of what you can see and do. Some clients are surprised by the long distances between cities in New Zealand and subsequently decide to amend their plans so that they are not driving so much. I am more than happy to play around with the itinerary until you think it is something that would suit you and your clients.

Our service includes not only researching, planning and booking your holiday, but also our commitment to you 24/7 while you are in New Zealand. If you have any emergencies or requests while you are here, you will be able to contact us straight away via the smart phone we can provide you with (that will have your itinerary loaded in to it). We can recommend and book restaurants, events, theatre shows, anything you like. Just ask. If you think of something over the next few months or even while you're here, you can just contact us and we'll do our best to make it happen.

We look forward to hearing from you.

Kindest regards
